# FOCUS GROUP

## CENTERING STUDENT VOICES:

**UNDERGRADUATE STUDENTS WHO ARE PREPARING FOR OR HAVE RETURNED FROM A LEAVE OF ABSENCE**

## JOIN OUR RESEARCH STUDY

This study aims to learn more about your experiences as an undergraduate student who has taken and returned from a leave of absence. Our research team believes that **your story is important**—the ideas that excite you, the moments that challenge you, and the identities you hold close to you. Our **listening lab for higher education transformation** partners with students to advocate for **supportive resources, policies, and procedures on campus.**

## FOCUS GROUPS: AT A GLANCE

- 60 minutes of your time
- \$35 Amazon gift card for participation
- Casual, small group discussion
